BLESSINGS OF SIDDHA'S

LIVER PURE

Its Love your Liver

The liver is one of the most crucial organs in the human body, performing over 500 vital functions, including detoxification, metabolism, digestion, and nutrient storage. In today's fast-paced world, factors like unhealthy diets, stress, environmental toxins, and certain medications can place a significant burden on the liver, leading to various health challenges.. It aims to restore balance, support optimal liver function, and enhance your overall well-being.

DOSAGE

Take 1 teaspoons twice daily with water, preferably before meals, or as directed by an Ayurvedic practitioner.
